Москва, Кремль

Участникам конференции, посвящённой подведению итогов  
Международной детско-юношеской премии  
"Экология – дело каждого"

Дорогие друзья!

Приветствую вас по случаю открытия конференции.

Отрадно, что у нас появился и уже доказал свою востребованность масштабный просветительский проект, призванный служить воспитанию у подрастающего поколения экологической культуры, формированию бережного, ответственного отношения к бесценным природным богатствам нашей Родины.

Во многом благодаря премии "Экология – дело каждого" – ребята начинают заниматься волонтерской деятельностью, вовлекают в эту важную работу родителей, родственников, друзей, создают целые команды единомышленников, предлагают интересные идеи и инициативы в природоохранной сфере и успешно воплощают их в жизнь.

Убежден, что все участники программы "Экология – дело каждого", какую бы профессию они впоследствии ни выбрали, всегда будут уделять внимание вопросам экологии, заботе о родной природе.

Желаю вам всего самого доброго.

В.Путин
